Dear Mr. Donnley,

I want to begin by offering you congratulations on your recent promotion.

It has been some period of time since we last met and talked. I believe the last time was when DEC personnel gave a general product philosophy and trends presentation to the Information Processing Committee, along with a Micro VAX II and workstation demonstration in Roxanne Donahey's office. Shortly before that, we had discussions when you attended a technology presentation, sponsored by ODE.

In my role of general, mid and long range marketing for DIGITAL Equipment Corporation, I continue to have contact with personnel in OIT, as well as interactions with personnel other Agency elements, and the IC Staff. In the past, I had some discussions with Harry Fitzwater. One area of general interest for Mr. Fitzwater was Information Security. I would like the opportunity to meet with you to address support for you and your personnel in the Directorate of Administration.

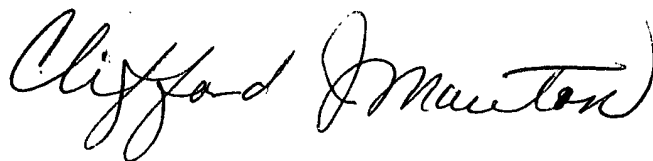

If I can be of assistance, please make contact with me. My address and telephone number are as follows:

Clifford J. Mauton
DIGITAL Equipment Corporation (MEL 4/13)

I look forward to meeting with you. Again, congratulations and best wishes in your new job.

Regards,
